Dear Debra,
Denise has made video/audio arrangements.

For 8/27, the HK video port has been reserved. Please note, however, that since Denise has not previously requested a video dial-in for HK, she requested that AT&T dial HK along with the other video participants.

For 8/30, an audio port has been reserved. Mingda's dial-in information is as follows:
Dial-in number: 404-222-0333
Password: 5553-9848-01

I hope this meets your needs. Please advise if it does not.

Kindest regards,
Valerie

Dear Valerie,

Mingda would like to participate the Part I via VC in Hong Kong and Part II via audio port from Beijing. For VC in Hong Kong on August 27, please request a "dial-in" from Hong Kong to the VC port.

Please confirm the arrangements at your convenience.

Thanks & best regards,
Debra

Subject: August Project/Activity Review(s)

Dear all:
You are cordially invited to attend the next WSA project/activity review. This review will cover those projects that fall under the 'Harm Reduction' portion of our plan. It will also cover a brief review of the Human Studies, Asia/Japan/Australia, and Product Assessment activities.

To better accommodate our international colleagues, the review will take place over two half-days:

Part 1: August 27: 8 am - 12:45 pm (Richmond participants - We will use the James River Center 43-1A videoconferencing room).
Part 2: August 30: 8:30 am - 12:00 pm (Richmond participants - We will use the O/C OBT videoconferencing room).

An agenda is attached for your reference.

If you plan to participate, and are not one of the presenters, please let me know by **August 24** so that we can ensure that the appropriate logistics are secured.

Thanks,
Valerie
